Lanes that are shared will have the last five minutes of warm up designated as sprints.

Depending on the number of entries per team per session, the host team will send each team their timing and lane assignments prior to the meet. Teams are required to fulfill their designated timing assignment or risk disqualification of their swimmers. The meet will not start until all timers have reported to their lane. Teams may opt to switch timers throughout each session, but may not opt to vacate their timing assignment prior to the completion of the session. Timing assignments will also be posted on the OCY Swim Team website the week prior to the meet:
www.ocyswim.org.

Swimmer Check-in:

Swimmers should check in with their coach immediately upon arrival. Check in sheets for the swimmers will be enclosed in the coaches' packet that is distributed at each session requiring check in. In either case, lane timers and officials and coaches will be issued heat sheets indicating open lanes. If the Meet Committee decides that it is necessary to re-seed an event, all timers, officials and coaches will be issued heat sheets showing the re-seeded heat and lane assignments and heat sheets will be posted throughout the deck and in the spectator area indicating the re-seeded event.

The host team and/or Meet Committee reserve the right to change the pool or sessions if necessary for the best operation of the meet. Any changes to the meet format will be post on our web site (www.ocyswim.org) and sent via email to all teams at least one week in advance.
